Spring 2016

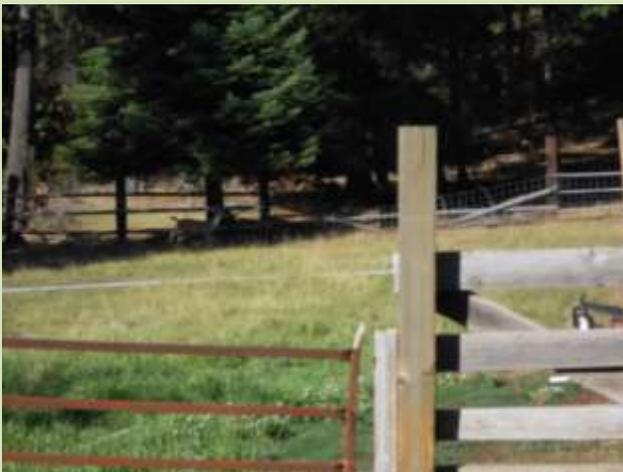

Are you finding the pressures in life pushing your limits to the max? Perhaps you are gasping inside you, "I can't handle this!" Are you feeling like you are not sure how much more you can stretch before snapping? Well, I can identify with you, and actually many people in the Bible could, too. Paul wrote:

*For we would not, brethren, have you ignorant of our trouble which came to us in Asia, that we were pressed out of measure, above strength, insomuch that we despaired even of life: But we had the sentence of death in ourselves, that we should not trust in ourselves, **but in God** which raiseth the dead..." 2 Co 1:8-9 KJV*

I know that we like to feel like we can help—but the truth is that we can only do those things God strengthens us to do! Let us humble ourselves and look to Him who has the power to "raise the dead"!

Retreat Center Report

A couple weeks ago, a missionary walked up to me and encouraged me about the importance of a missionary retreat ministry. **Please help us get the word out.** We can now offer **Skype counseling anywhere in the world** that has internet.

We have one missionary scheduled for this summer. We have heard about others, but they have not contacted us. Pray for them and the others God will lead to us.

We have a great deal of maintenance work on the property: downed trees to cut, firewood to split and put away, piles to burn, weeds to remove, and much more! Pray for strength, endurance and wisdom to do what He wants us to do.

Family Report

Thanks for your prayers! Ruth has the hardest job--the job of coping with her illness while taking care of all of us. Pray for courage and stamina to keep going!

Pray for Hannah, who has finished her AA degree with straight A's. (That's a lot of A's!) Pray for wisdom as she considers what the Lord would have her do next. She likes writing and is working on several books.

Rebekah has started Western Governor's University. This is an online university, and they charge one price per semester. She finished 37 hours of credit in her first semester! Pray for her health and protection.

Pray for Elisabeth as she continues to homeschool. She is close to finishing both 9th and 10th grades this year! She is really growing tall and is now taller than her mom and Rebekah.

Pray for Timothy and Ashley as Timothy works long hours at Walmart. Timothy has started a new position and is in charge of returns-- which gives him better hours. Ashley is graduating with her BA degree this month!

We are proud of all our kids!!

Pray for me (Brent) as I strive to keep in step with the Spirit as He leads me in the care of Ruth, paper work, the maintenance of the property, counseling, and discipleship. Also, continue to pray for the problem we have with the easement on the first portion of the driveway.

Thank you to those who are helping us and praying for this ministry. Do pray for the additional support needed to make ends meet. God is faithful and will provide. If you would like to be part of His provision, let us know.

Love in Christ,
Brent, Ruth, Timothy & Ashley, Hannah, Rebekah, and Elisabeth Ullom
