

20th anniversary of HRM in 2024!

It is hard to imagine that we have been going **20 years!**

We had so many setbacks at first that we did not expect to last more than a few years. Ruth's health demise took away most of our strength and joy. Then when my grandmother refused to give us a lease on the land, we lost most of our support. But God has been so faithful. He has kept us going as we struggled to put one foot in front of the other! It amazes me that here we are at **20 years**, and we are still going, **by His grace!**

What an amazing God we serve!! He Restoreth Ministries is nothing big and fancy, but I am just grateful that God is using us in often small ways to encourage missionaries around the world! He has blessed us in many ways!

Thank you so much!

We would not be here without You! We have a small group of supporters, but they are **amazing and so faithful!** Thank you for your prayers and help! **Thanks to all of you who have given so generously!**

God is faithful!

Prayer requests HRM

- ❖ Pray for missionaries and that HRM will be able to reach out effectively to those God brings our way!
- ❖ Pray for continued funding!
- ❖ With both Hannah and Elisabeth working full time or close to full time. The work for the retreat center falls almost completely on Ruth and me. We are both turning 60 in 2025 and only have one body that works right 😊!
 - Pray for wisdom and endurance.
 - Pray for **help**! We could use able bodies to help with upkeep and enhancing the property.

- Pray for Ruth! She seems to be sleeping better but she is still suffering a great deal of discomfort.
- Pray for Hannah as she works full time at Grace as a teacher for Extended care. Please keep praying for an internship to finish her master's in counseling.
- Pray for Rebekah. She has moved to Washington and is working in a Christian school there. She is also seriously dating a young man there.

- Pray for Elisabeth. She is working almost full time at the jewelry repair store in the mall and a gold smith store in Medford.

- Pray for Timothy, Ashley, and Amelia, as they continue to stay very busy. Timothy as; he works as a low-voltage electrician and Ashley as she continues to work part-time at LOGOS Charter School. Amelia will turn two years old on December 14th!

- Pray for me (Brent) as I strive to serve God and others. Pray for me as I deal with some back problems.
